HARDCORE BEX!

In these pictures my girlfriend Beckie is wearing one of my favourite outfits. She always gets me going in this.

She loves dressing up for me in sexy undies, long boots, stockings or whatever else takes my fancy.

I really love fucking her as she never says no and is always wet and horny.

These photos were taken just seconds before I fucked her. We put the camera down and then I laid Beckie down on the bed and began to suck and lick her nipples.

Her tits are so soft and huge and bouncy you just can't resist playing with them.

This tit-play always gets her in the mood and then I lick my way clean all the way down to her pussy.

It tastes and smells so nice I can spend hours down there, lapping at her pink lips.

Meanwhile Beckie lies back, enjoying her favourite pastime

and fantasising about fucking groups of people.

She does this till she explodes in orgasm. Then while she is recovering I wank my cock.

Then she licks and sucks my dick until it's rigid. I plunge it into her cunt while she talks dirty, saying all the disgusting things I love to hear.

She tells me to imagine her sucking someone else's cock or pussy while I'm fucking her, which always gets me really horny.

Then when I'm ready to cum I take my cock out of her pussy and slam it up her arse, giving her a few frantic strokes up there before filling it rapidly with hot sticky sperm.

She really is one hell of a dirty cock-hungry slut.

We would love to hear from males, females and couples who would like to help me help Beckie!

Peter, Tyne and Wear.

October's nearly here, which means that thousands of boozy Germans will be strapping on their lederhosen and heading to Munich to glug down as many whopping glasses of beer as they can before passing out. In case that doesn't really sound like your thing, we figured we'd get Devon to give us her own interpretation of the whole event – an interpretation which, thanks to her whopping norks and shaven cunt, looks far more enticing to us! Prost!

I LIKE IT LIKE THAT!

I can't help wishing my school careers advisor had suggested I train up as a tattoo artist (instead of suggesting I'd be best off working in dirty mags!) – everyone's inked up these days, and I'd have almost certainly got to examine plenty of porn strumpets in very close detail! For fans of inked fanny this release from Wicked ticks all the right boxes, with five scorchers all getting a serious boning while showing off their designs. Harlow Harrison's the pick of the crop – she makes this way bluer than your typical blue movie!

Zara-Boom-dia!

We're huge fans of Zara DuRose here (especially after her special delivery treat last month!), so we were chuffed when we heard about this new release from YourChoice.co.uk and made sure we got our grubby mitts on a copy as quickly as possible!

Zara goes head to bot with three of her special pals, as well as putting in a couple of solo scenes. Plenty of vibes and massagers ensure the girls get off almost as often as we did watching it!

I have distinct memories of being wowed by a certain 'Linda Leigh' who appeared in Escort going on 25 years ago, and was absolutely stunned to see her in your latest issue looking just as hot as she did back then, albeit with a slightly different spelling. Has she been cryogenically frozen or something? I'm certainly no longer the man I was back then, but I can still appreciate a truly sexy woman when I see one! Colin, Shrewsbury.

Rolling back the years

Yep, I'd certainly like to know what her secret is!

DEAR JULIA

The perfect package!

I would give an arm and a leg to receive a special delivery like Zara DuRose! In return I could promise her a special package of my own – all 7 inches of it! Only question is whether I'd be able to fit it in her letterbox... Ryan, Blackpool.

Oh, I think you'd be in with a good chance, Ryan!

Me and my missus love looking through Escort every month, commenting on how sexy we find the girls and who we'd most like to join us for a threesome. This issue Tiffany won hands down – those spectacular piss-flaps of hers drove us both crazy, and I ended up chewing on the missus's pair for ages (not bad, I have to say, although not a patch on Tiff's!) before firing my creamy spunk deep inside her. More Tiffany soon please, so we can have a repeat performance! Jase, Walthamstow.

Lip service!

You don't have to wait for us, you know!

HARRY-STYLEE!

There's definitely something a bit special about seeing a porno tart absolutely coated in harry monk after her scene, and Best Bukkake from Private features more jizz-coated babes than you could shake your stick at! Special mention has to go to brunette Kristy for

her bowling alley bonkathon, by the end of which she's almost drowning in spuff. The birthday party orgy's pretty filthy, too!

Feeling the urge to get a bit of squirting action in your life? Good for you, but what do you do if either your missus hasn't quite got the knack or there isn't actually a missus to practice on in the first place? Well here's the answer – a squirting pussy sex toy that you can fuck and make squirt to your heart's content! Definitely worth a try if you fancy something a bit different, and you can get 10% off by quoting code PRP2016!

Cornish cutie Sky might only come in at a shade under 5 feet tall, but what she lacks in height she more than makes up for in other ways — like her cracking bod! Still, if she ever gets tired of pumping iron, we can think of something else we wouldn't mind her pumping...

Anna Joy

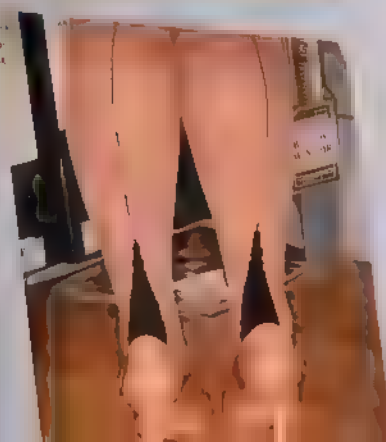

It seems Anna here used to work in some sort of archive, so when we figured our own archive was in need of some reorganising, she was the perfect choice. Mind you, from the sounds of things, she was never that committed to the job...

"The best thing was there was never anybody else around, so whenever I was feeling horny I could perch in a quiet corner and have a bloody good wank! There's something especially rewarding about having a wank in office hours, I always thought!"

And as if to prove the point, she proceeded to ignore our back issues and rub one off!

REAL WIFE SEX

Cal's a dirty movie star on the sky!

My hands headed instinctively down, my fingers wrapping round his already throbbing cock...

Most girls have whiled away a few hours with slightly X-rated thoughts. Recently, my fantasies started to revolve around being in an actual X-rated film. Having done some lingerie modelling, there's a few revealing pictures of me on the internet already. There are a couple of pictures of me in sheer little pieces where you can clearly see ... well everything – and that was exciting at the time. But I wanted something more explicit. I tried messing around with a camera whilst having sex with my boyfriend but that just didn't quite cut it: Even when I secretly posted the movie online and let the whole internet watch a carefully edited version of our bedroom antics, I still wasn't satisfied. I wanted to explore that side of my sexuality and developed a need to turn the crazy scenarios running through my head into reality. With butterflies in my stomach, I searched through the classified ads, looking for adult film makers. My fantasies were private, certainly not something to share with my boyfriend (as he wasn't in them) but they were exciting and only served to highlight the lack of zing in our recent love-making. Then I spotted an ad that made my pulse pound and my pussy throb. It promised to be discreet and it was local and looking for

Struggling at first, I managed to slide the whole glans between my lips.

'adventurous girls' to send a naked photo to an email address.

That night I was home alone, masturbating endlessly, imagining myself actually replying to the ad: Sending some naughty pictures through to the email address. I imagined being accepted, being paid for having sex in front of the camera. It'd make me feel dirty and special – so special that men would pay to watch me have sex. I actually took the pictures and then before I had chance to back-out, I selected the rudest and sent them through to the contact address. I had a massive orgasm as I visualised people looking through them, assessing my body. But once I started thinking rationally again, I was wracked with doubt – what would people think if they found out? I was suddenly filled with fear at the lack of control I had over my naked form. What had I done?

A week passed and I'd got over the worst of my fears. Nothing was going to happen. The email account was probably dead – no-one had even seen my pictures. Then I got

a reply. I saw it at work but didn't dare open it until I got home. My heart was in my mouth as I clicked on the email. They wanted me to come to their studio and do a trial shoot! There were pictures and links to videos, which I watched. It was all good filthy stuff – proper hardcore porn, and far from being put off, it was exactly what I'd been thinking about doing. They asked me to fill-in a consent form, including what kind of stuff I'd be interested in shooting with them. I felt so wanton as I ticked the boxes; admitting to total strangers what I was into sexually, whilst the form also somehow absolved me of responsibility for all the dirty things I might end up doing.

A few emails later and we'd arranged a Saturday afternoon for the trial and they sent through all the details: They wanted to film me with a guy called Derek and I eagerly agreed to do it. I was a sexual inferno all week. My boyfriend couldn't satisfy my needs as I fantasised about what was coming-up and I ended-up using my fingers in the loo at work and my favourite vibrator in the shower at home. I've never been so horny in all my life. I lied to my boyfriend, telling him I was going out shopping with the girls and headed out for my shoot.

I found the address tucked away in

the corner of an old converted mill and inside was a surprisingly posh studio and a friendly make-up girl called Mia who took me under her wing after hearing that it was my first time. All the meet-and-greet and preparations seemed to go by in a blur. I was embarrassed and a little scared but also thrilled and utterly determined to go through with it. Then I was in the studio, wearing a fluffy white towelled dressing gown with nasty cheap underwear which I couldn't wait to take off, being introduced to Derek. He was absolutely gorgeous – and I mean Greek-God-gorgeous here! I was thrilled at the idea that we would be having sex in no time...

Barely a word was exchanged as cameras pointed at us, then we were kissing like nervous teenagers and his hands were fumbling with my bra. My hands headed instinctively down, my fingers wrapping around his already throbbing cock. It was big, enormously so and just so hot; that combined with the shocking speed of the action was mind-blowing. Somehow my face came down level with his penis, which was

SNAPPY HOUR

Me and my wife Susie arranged to go clubbing with a friend of mine. Mat brought his new girlfriend around and I was surprised to find he'd landed himself a fit bird.

Steff was very well-spoken and a bit posh but she had fantastic tits.

I found myself admiring them more and more as the night went on, so that at 5am, when we got back to ours I was well horny.

Mat was in the kitchen making us all elaborate cocktails and me, Susie and Steff were in the lounge.

Steff noticed my new camera on the side, so Susie explained that we sometimes used it for "fun photography".

I pointed it at Steff to take a shot, and Steff cupped her tits and opened her legs to reveal a little pink G-string.

I was shocked, but Susie practically leapt on her and told me to take a picture of them together.

She cupped Steff's tits and licked around her nipples as I snapped a couple of raunchy close-ups.

Steff stretched her legs wide open, encouraging Susie to take things further, and to my amazement she didn't hesitate. She slipped between Steff's legs and pulled her G-string aside, then licked up and down her shaven slot.

Susie's arse pointed skywards as she tongued Steff's pussy, and her little black mini skirt was so short that I suddenly noticed she wasn't wearing any panties either.

I took a shot of this, then moved

around the front. Susie's tongue was darting in and out of Steff's dripping hole, and Steff was panting wildly.

I took several more photos and a close-up of her face as she climaxed all over my wife's mouth.

Susie looked at me and smiled, then began to claw at the front of my jeans.

I unbuckled my belt and Susie pulled my zip open, and the girls smiled at each other when they saw my rigid prick.

Susie began slowly wanking me into her face as Steff got between her legs and began returning her earlier favour.

She traced her tongue around Susie's pulsing clit, then slipped her tongue and a couple of fingers into her cunt as Susie sucked my cock.

I moaned with pleasure as she stroked her hot, wet mouth along the length of my meat, and tried to take a couple more pictures but I was trembling too much.

Steff was really tonguing Susie hard, and Susie suddenly came. Steff continued to eat her cunt as she was cumming, and only stopped when we heard Mat's

footsteps in the hallway.

Quick as a flash she pulled down her top and straightened her clothes, as me and Susie did the same, so that when our drinks appeared it looked like nothing had happened.

We sat and chatted for about half an hour, then finally turned in.

When we came down the next morning, Mat and Steff

Hang on a sec – is this Zabrina the same one we featured back in 36.03? The one with long dark hair? You've changed a bit since then!

"Yeah, well I like to keep things fresh!" she laughs. "Every now and again I like to have a complete makeover, so I got rid of the long hair and now I've got this! I think the gamine look kind of suits me – what do you reckon?"

Yep, it certainly looks alright to us! Although we see that you've got one hair style that hasn't changed so much – you like to keep a bit of muff down there, don't you?

HARMONY

Harmony will never forget the day that changed her life...
"It was the first time I tasted cock!" she grins. "I'd been desperately looking forward to it for ages, and finally I got a chance with a lad from my village. As soon as I felt him push his veiny prick between my lips I knew this was something I was destined to do! The poor lad only lasted about 20 seconds or so, he was so excited – but then that meant I didn't have to wait so long for my first taste of spunk! Mmm, I think I want some more..."

There's no escape, is there? We've had Captain America: The First Avenger, The Winter Soldier, Civil War and a couple of other Avengers flicks, and now here's Captain America: Getting Her Clunge Out! "It was really exciting! I set aside a quiet evening so I could have a nice long bath and take my time over it. I was a bit nervous about using a razor down there, so I used one of those DIY hair trimmers to get rid of most of it. REAL WIFE SEX

Story continues on page 73

bobbing around eagerly. Even with the cameras rolling, it was the most natural thing in the world to grab that hot flesh and feed it into my mouth. Struggling at first, I managed to slide the whole glans between my lips. I sucked hungrily, making sure that the vacuum pulled in my cheeks for the camera to see. Then I sank as deeply as I could, taking it into my throat, before releasing the saliva-coated manhood and gasping for breathing, smiling into the camera with watering eyes.

After a long, breathless blowjob, I allowed myself to be manoeuvred round onto my back and I felt my knickers coming down. The camera was on my most private flesh as Derek teased my labia wide open and then noisily and wetly tongued my eager pussy. I was thinking to myself, "I don't know him, he doesn't know me – it's just a meeting of two bodies – yet we're doing the most intimate things possible to each other." The cameras may have been rolling but it wasn't acting as I writhed in pleasure whilst he fingered my cunt and flicked his tongue across the glistening pink pearl of my clitoris. And as he ate my pussy out, the orgasm that wracked my body was entirely genuine. I felt so ... confident and uninhibited; I'd just come with a camera capturing my every twitching muscle whilst a complete stranger licked me out.

I looked into the camera and asked Derek to fuck me. "Do you think your great big cock will fit in my little pussy?" I asked. And he was soon doing that very thing. I felt so slutty to be allowing this stranger to fuck me; without the emotional baggage, without the complication of feelings, I was focused purely on the physical pleasure. I cried out as his hard flesh eased into my cunt and begged him to fuck me harder and deeper, even as he pounded me harder than any man had ever done before. Then Derek rolled me onto my hands-and-knees and pounded me from behind.

"Fuck, you've got a great arse," he panted, sweat dripping off his chest onto my

buttocks, "have you ever had a cock up there before?"

"Before?" I thought to myself. Then I remembered ticking all the boxes on the form saying what sexual acts I'd do, including the box next to 'anal'. That had been fantasy. This was very real but it felt right; it was definitely the time and the place to

explore the more extreme side of my sexuality; time to push my boundaries further and try something different. So as Derek stuck lube and fingers into my arsehole and eventually pulled

his cock out of my pussy and guided it into my bum, I was happy to let the camera watch as my anal virginity was taken. Pleasurable discomfort radiated through me as my rosebud gave way to his irrepressible cock and he slid inside my tight backdoor. I've had many, many fantasies about anal sex and even stuck the handle of my hairbrush up my arse once or twice when I was

younger to see what

it felt like, but this was something completely new and thrilling.

There was no holding back now. I was moaning, finger-fucking my pussy and playing with my clit as Derek pounded my bum and the camera captured every moment in glorious HD. Then he was pulling out and both cock and camera were thrust in my face. I brought myself to orgasm just as jets of spunk fired into my open mouth and I made sure to show it to the camera before swallowing it all down.

The guys seemed thrilled with my 'performance' and my inhibitions had dropped to the extent that I didn't notice that I was naked or dripping with spunk until Mia appeared with a wipe and the fluffy dressing gown. I was high on life as I collected my cheque and arranged details for a follow-up shoot.

My boyfriend, meanwhile, doesn't suspect a thing, bless him – although he loves all the extra-dirty sex his super-horny girlfriend is throwing his way all of a sudden. I wonder if he'll ever twig what's behind it all!

HAVE A MARIA!

The best sexual experience I ever had was a surprise birthday "present"

from my girlfriend, Kirsty. We had decided to go out to celebrate with one of her friends, Maria, but unknown to me, Kirsty had arranged for Maria to spend the night at ours.

At first I thought nothing of it, as we had never discussed a threesome before, but as the evening drew on, the girls started getting very frisky.

Both with me, and with each other.

Obviously, this was giving me the raging horn, and when Kirsty told me Maria was staying at ours, I thought all my birthdays had come at once.

When we got home, the girls went straight upstairs to get ready.

I followed them up a minute later and found them both on the bed, completely naked.

At first we just kissed and cuddle, while I played with

their pussies.

It felt fantastic having the fingers of both hands in different girls and I fingered them at the same time as they lay spread-eagled in front of me.

When Kirsty gets horny, she can't resist my cock, so she pushed me onto my back and took my length in her mouth.

I almost shot my hot load down her throat there and then, but I wanted to enjoy this to the full, so I switched my cock to Maria's mouth and let her suck it for a bit.

It felt incredible having two girls suck my prick and I lasted just a minute before emptying my balls all over their pretty faces.

This disappointed them slightly as they both wanted fucking, so they worked on my manhood with their mouths to get me aroused again.

Within minutes, I was rampant again and ready to give them a seeing to.

Kirsty and Maria bent over in front of

me and wiggled their lovely arses, so I stroked my fingers over both plump pussies and licked their lovely arseholes.

Kirsty wanted it the most, so I

“I LASTED JUST A MINUTE BEFORE EMPTYING MY BALLS ALL OVER THEIR PRETTY FACES.”

took hold of her waist and stuffed my fat prick into her dripping hole.

I fucked her for several strokes, then pulled out and fucked Maria.

The girls frigged their cunts as I fucked them from behind and they came together, climaxing over my cock and fingers.

I blew my load up Maria's cunt and we all fell asleep in a big sweaty heap.

Unfortunately, Maria had gone home by the time I woke up so there was no repeat performance, still it was the best “present” I’ve ever had, and I’m hoping I’ll be getting something similar this year.
